

Bo-Peep Brook Green Registration Form

We do our best to accommodate everyone who registers with us, but we do not guarantee places. We recommend that you apply as early as possible, as we have limited places and offer these on a first come, first served principle. We do give priority to siblings, both at the nursery and the school, and to parents looking for full time places.

We always recommend that you come and visit us first in order to meet our team, learn about our ethos and have a look around our wonderful facilities.

Please note that if we are able to offer you a place, we will do this by email. Your place is only confirmed once you have paid the Deposit and signed acceptance of the Offer Form.

Privacy note: In line with the EU General Data Protection Regulation 2018 (GDPR) we use the data collected on this form to add your child to our waiting list so that we have the basic information on them and contact information for you. We will keep this information on file if your child receives a place and if they do not receive a place we will keep this information on file in case a place becomes available during the period your child is of nursery age, unless otherwise requested to do so by yourselves, in which case this form will be destroyed. By completing this form, you are giving consent that you understand this privacy note.

As a final note, we thank you for your time vested in exploring the school and we really hope we can welcome your child into our school. We truly believe this is the right place for them to commence their school journey.

We would really appreciate if you could leave a very short review on your journey with Bo Peep, so far. It really helps prospective parents gain an insight into our inner workings and gives them additional comfort that this is the right school for their child, too.

Please review your experience, it takes a few seconds for you but provides others with significant value:
